

Adjust the settings of the ReadSpeaker feature.

1 From the MindTap dashboard, click the ReadSpeaker app.

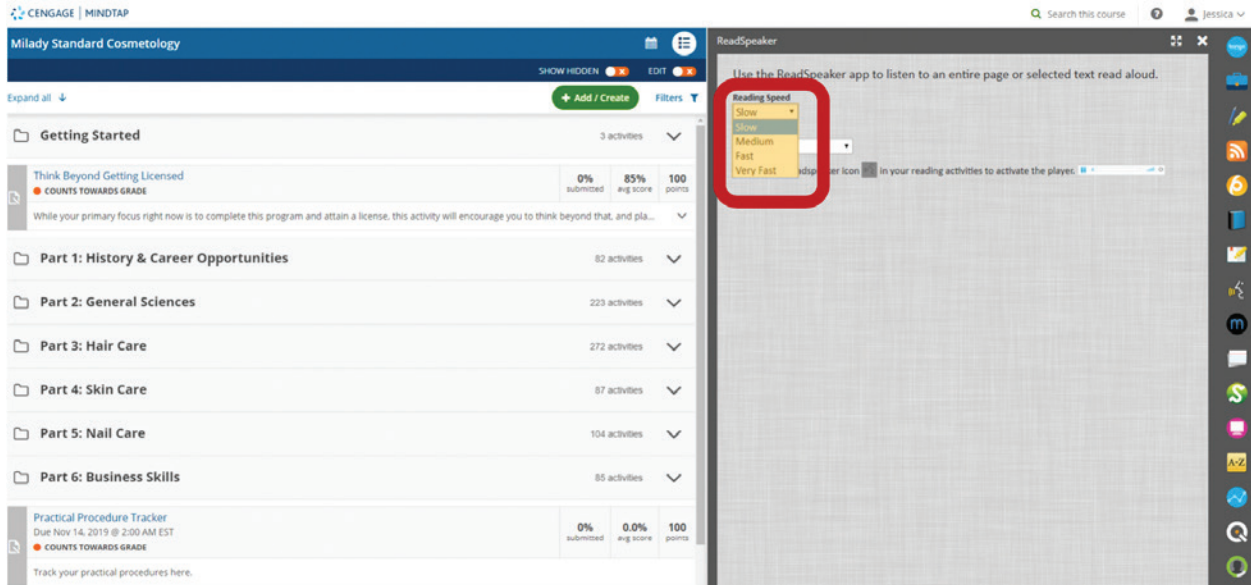

The screenshot shows the MindTap dashboard for the course "Milady Standard Cosmetology". On the left, there is a list of course parts: Part 1: History & Career Opportunities (82 activities), Part 2: General Sciences (223 activities), Part 3: Hair Care (272 activities), Part 4: Skin Care (87 activities), Part 5: Nail Care (104 activities), and Part 6: Business Skills (85 activities). Below this is a "Practical Procedure Tracker" for "Think Beyond Getting Licensed" with 0% submitted, 0.0% avg score, and 100 points. On the right, there is a "CLASS AVERAGE" of 20.17% and a "Recent Activity Scores" chart. A red arrow points to the ReadSpeaker app icon in the right-hand sidebar.

2 When the ReadSpeaker opens, you can adjust reading settings.

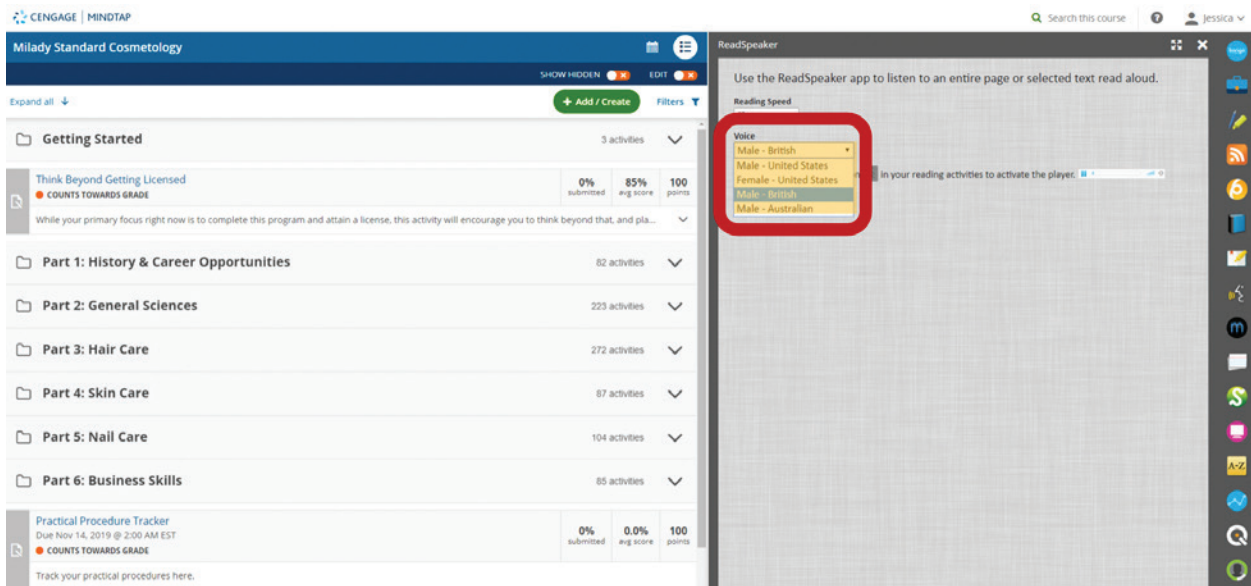

The screenshot shows the ReadSpeaker app interface. The "Reading Speed" dropdown menu is highlighted with a red box, showing options: Slow, Normal, and Fast. The "Voice" dropdown menu is also visible, showing options: Male - British, Male - American, and Female - American. The background shows a blurred view of the course content.

3 Select the desired reading speed from the drop-down menu.

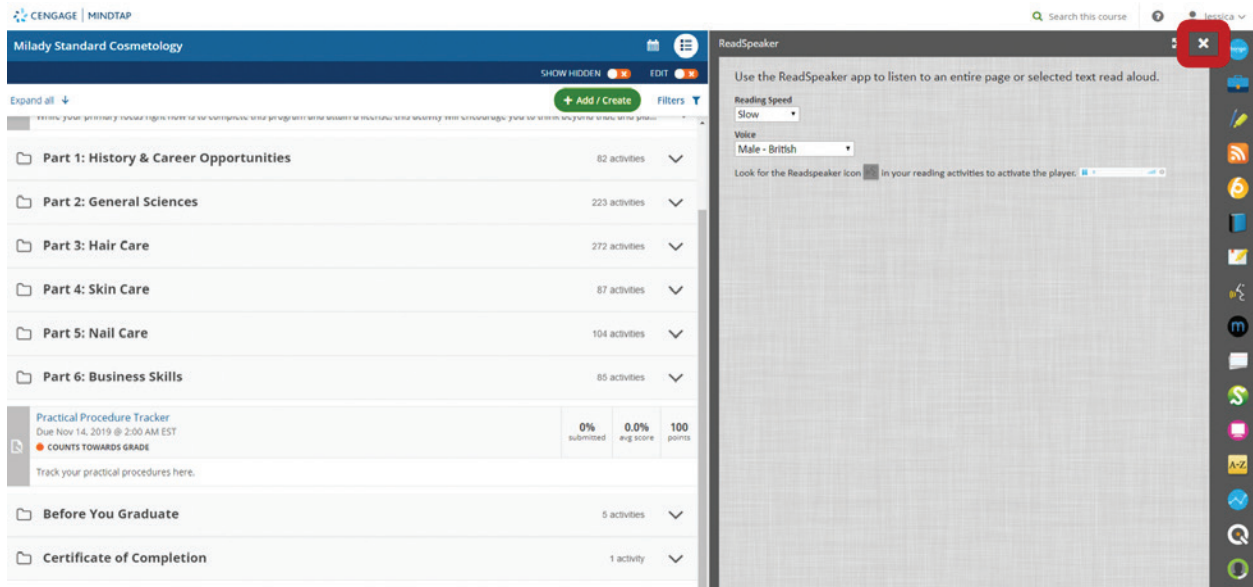

4 Select the voice from the drop-down menu.
