See attached for list of reviewers who participated in this edition.
14		364	Procedure 14-1, The Professional Shave: Photos c1 and c2 are in reverse order. The beginning of stroke 2 appears in photo C2, and the end of Stroke 2 appears in photo C1.
11		250	According to a testbank and the Games CD, the answer to 'Secondary Terminal Hair' is beard; only. However, on page 250, it is stated that Secondary Terminal Hairs are found on the scalp, beard, chest, back, legs, and pubic area. This explanation is correct and the answer to such in the testbank and Games CD is incorrect.

Exam Review (9781435497122)
